DX45 Aegis
Travel

The Pelican™ Aegis collection is a durable and modular travel system designed for mission-critical adventures and everyday carry or travel. Use the two shoulder straps to create a backpack or tuck them away and use the over-the-should strap as a duffel. Durable handles also make this piece easy to grab and go. Pelican Shield™ technology, a hybrid material, provides quality construction and protection of a hard case with the versatility of a soft case. Wherever the adventure takes you, the Aegis Backpack will protect your essentials.
